AGREEMENT entered into this 17th day of September, 1965, by and between the TOWN OF RINDGE, a municipal corporation situated in the County of Cheshire and State of New Hampshire, hereinafter referred to as the Town, and the FIRST CONGREGATIONAL CHURCH AND SOCIETY OF RINDGE, in said County and State, hereinafter referred to as the Church.

WHEREAS the Town has leased to the Church for a period in excess of one hundred twenty years the Public Meeting House building, so-called, in the Town of Rindge;

WHEREAS, the Town and the Church now mutually desire to clearly establish the rights of the parties to the use of specific areas in the said Meeting House and to set forth the responsibilities and the duties of both parties in the maintenance of their individual interests and their combined obligations as a whole;

NOW, THEREFORE, for and in consideration of the mutual premises hereinafter set forth, the Parties agree as follows:

1. That all previous leases and agreements heretofore entered into by the Town and the Church are hereby superseded and amended by the present agreement.

2. That the Town does hereby lease and let unto the Church, with and upon the terms, covenants and conditions hereinafter stated, for and during the term of one hundred ninety-nine (199) years, commencing on the 17th day of September, 1965, and ending on the 16th day of September, 2164, the following described premises, to wit:

The entire second floor of the said Public Meeting House building, as well as the attics designated as Attics #1 and 2 per sketch, hallways, stairs leading from the first floor of the said building, the hallways and the Northwest closet on the ground floor at the front (West side) of the said building, the "vestry" area, so called, the "kitchen", so called, of said building, all as described in the sketch attached hereto and made a part hereof.

3. That the Church agrees at its own cost and expense to maintain and keep the above-mentioned areas at all times in good sufficient repair, order and condition. The Church further agrees that the said kitchen of said building shall be made available under the supervision and control of the Church, or its agents, to the inhabitants of the Town or other groups desiring to use the same with the permission of the Church, subject to reasonable regulations established and posted from time to time by the Trustees of the Church.

4. That the Town hereby reserves unto itself the "Selectmen's Room", so-called, and the areas of said building known as the Town Hall, so-called, including the stage, the bell, the clock and tower, the use of said areas to be regulated by the Town or its duly authorized agents. The Town shall, at its own cost and expense, maintain and keep the said "Town Hall", "Selectmen's Room", Town Clock, and Tower in good, sufficient repair, order and condition during the whole of the term of this agreement;

5. That the Town also reserves unto itself the right to use the stairs and hallways in said building to gain access to and from the belfry, so-called, for the purpose of maintenance and repair of the Town Clock and Tower and any other use consonant with the maintenance or preservation of the whole structure;

6. That in the event that the Selectmen shall discontinue the use of the Selectmen's Room as a Town Office room, then this Town Office room shall become part of the premises defined and described in Paragraph Two as leased to the Church for the same term and under the same conditions as apply to the areas described in Paragraph Two; and the Town shall thereafter have no responsibility therefor, except as is generally provided for the other areas leased herein and described in Paragraph Two;

In the event of abnormal use of the Church Sanctuary and/or vestry areas, the excess cost of heating so incurred will be entirely borne by the Church;

either the Town or the Church, shall substantially increase the cost of supplying water, an adjustment of said charge shall be made. The entire cost of maintaining and repairing the pipe lines leading to the said Fire Station shall be borne by the Town. The Church agrees to permit the Town to enter into and upon the said "Parsonage" property for the purpose of maintaining and repairing the said pipe line to the said Fire Station;

10. That it is mutually agreed that if and when, during the term hereof the Town has no further use of said Public Meeting building in the conduct of town affairs, the Church shall have the first option to purchase the building and the lot on which it is affixed described as follows: Bounded on the North by the Cemetery South wall and a line extending directly from such wall out to the Payson Hill Road; bounded on the West by the Payson Hill Road; bounded on the South by the road between the Public Meeting House and the Common; and said lot extending East as far as the gate in the Cemetery South wall. In arriving at a sales price, the Church shall receive credit for that area of the building leased to the Church;

11. That the Church shall not, at any time during the said term, without first obtaining a license in writing from the Selectmen of the Town, make any internal or external structural change to the said Public Meeting House; and that the Town shall not, at any time during the said term, without first obtaining a license in writing from the Board of Trustees of the Church, make any internal or external structural change to the said Public Meeting House;

12. That both the Town and the Church shall carry sufficient fire insurance to cover their respective areas of the Public Meeting House with each equally sharing the cost of the additional fire insurance necessary to cover the jointly controlled areas of the Public Meeting House. In the event the building is partially destroyed, the insurance proceeds shall be used to repair the damaged area of the building. In the event the building is destroyed beyond repair, the insurance proceeds shall be distributed to the Town and the Church according to the coverage set forth in their respective policies.

13. That the Church further agrees that no interests created herein, whether legal or equitable, shall be assigned, alienated, pledged or hypothecated voluntarily or by operation of law, nor shall said demised premises be rented in whole or in part without the written consent of the Town having previously been obtained;

14. That all of the above-mentioned areas of the said Public Meeting House building referred to in the within compact are as described in the sketch attached hereto and made a part hereof;

15. That any and all disputes arising out of the use of the premises or the interpretation of the terms of this agreement, or the rights, duties and liabilities of either party in relation to the premises and this agreement shall be determined by a Board of Arbitrators appointed pursuant to the provisions of Chapter 542 of the N. H. Revised Statutes Annotated of 1955, as amended, commonly known as the N. H. Arbitration Act.

IN WITNESS WHEREOF, we, the Selectmen of the Town of Rindge, and the Trustees of the First Congregational Church and Society of Rindge, being duly authorized by the Town and the Church, have hereunto set our hands and affixed the seal of the said Town and Church on the seventeenth day of September, 1965.

## REPORT OF THE RINDGE HISTORY COMMITTEE

For the Year Ended December 31, 1965

The Rindge History Committee has met several times during the past year. We have endeavored to secure the geneological records of everyone in town since 1874 not covered by the Ezra Stearns history which covers much of the time to 1914. These records are being transcribed and arranged for printing. We want to be sure to include everyone so please send in your family records at once if you have not already done so.

The Committee has arranged to have historical pictures photographed and would appreciate having such historical pictures submitted to them. These will then be returned to the owners.

Members of the Committee are continuing to work on the history of industries, resorts, homes, schools, organizations, and special events, and hope to have the material completed by the end of the year. If anyone has information in regard to any of these subjects, it will be gratefully received by the Committee.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day -- after 5:00 P.M.
  - c. If burning a field or brush, have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## REPORT OF TOWN AUDITORS

We have examined the accounts, records and investments of the Town of Rindge for the year 1965. Our examinations were made in accordance with generally accepted auditing standards and accordingly included such tests as we considered necessary. In our opinion the accompanying statements present fairly the revenue and expenditures for the year 1965 and the stated value of the Trust Funds as of December 31, 1965.

The year 1965 was a most rewarding and eventful one at the Ingalls Memorial Library. The number of books and magazines loaned exceeded that of any previous record.

Many new patrons have been added. The teachers of the Memorial School with their classes are regular borrowers. Here the Bookmobile is a valuable asset as it enables us to have many more books than we could buy.

During the year the library became a member of the State-wide Library Affiliation sponsored by the New Hampshire State Library. This brings many advantages. Books are now purchased through a central buying system at the State Library, thereby getting a much larger cost discount than before. A District Advisory Council has been established to which the librarian is a delegate.

Much valuable information will be received there concerning the improvement of library services to the community. A course in library science sponsored by the University of New Hampshire was offered to librarians of each district. The Rindge librarian and assistant attended this which gave them an opportunity to learn of changes in methods and systems of cataloguing in small libraries.

To add to the book fund, a food sale was held by the Friends of the Library. A substantial sum was realized and we are grateful to all for the generous contributions received.

Our library was made more attractive during the summer with flower boxes donated by friends.

Two Story Hours are now being held each week and are very popular with the children. This has been made possible through the kindness of Mrs. Russell Bacon.

Interested friends have been most generous during the past year. The following have given money, books and magazines: Prof. Douglas Adams, Mrs. Arthur Allen, Mrs. Frank Adamovich, Mrs. George Bliss, Mrs. Edward Brummer, Mrs. George Coppers, Mr. Orrin Dyer, Mrs. Marshall Danforth, Mrs. Raymond Ford, Mr. Donald Gordon, Mrs. Howard Gray, Miss Susan Handler, Mr. Fred Howard, Mrs. Paul Inferrera, Miss Pauline Inferrera, Mrs. H. I wish to extend my thanks to the trustees for their cooperation on all of the library projects, to Mrs. George Semonite for many hours of voluntary help, to Mrs. Marshall Danforth, Assistant Librarian, and to Mr. Walter Lovell, Custodian.

Respectfully submitted,

CARRIE S. GRAY  
Librarian

## REPORT OF TRUSTEES OF INGALLS MEMORIAL LIBRARY

It is with considerable pleasure that the trustees report another progressive year for the library. One innovation which was started in April on a trial basis was to keep open the library on Monday afternoons so that we might increase our service to the Town. Feeling that the experiment has proved beneficial, the trustees voted to continue this policy.

The library has been most fortunate to receive an additional sum from the R. B. LaRue Estate which was forwarded to the Trustees of Trust Funds for investment. At this time we would like to thank the Trustees of Trust Funds for the additional income with which they provided the library last year.

Commencing in the fall, Mrs. June Danforth has held art classes in the basement of the library (this room having been cleaned up and painted by the Girl Scouts under the supervision of Mr. George Abbey). The trustees welcome the opportunity to cooperate in such cultural projects whenever possible.

In addition to routine maintenance, combination screen and storm windows were installed, as well as an aluminum door, which it is hoped will provide more comfort and efficiency of operation. The resurfacing of the parking area has added greatly not only in appearance but in its use and has eliminated any necessity for parking on the highway. We wish to thank our friends who contributed to the "parking sign."

The trustees have asked for an increase in the budget this year due to higher expenses and future plans for installing hot water and replacing some of the antiquated lighting and fixtures.

Our appreciation is expressed for the support given us by the townspeople and our many friends of the library, as well as our sincere thanks to Mrs. Willard Gray, Mrs. Marshall Danforth, Mrs. George Semonite, Mrs. Russell Bacon, Mrs. Frank W. Adamovich (consultant), and Mr. Walter Lovell for their inestimable efforts.

Respectfully submitted,

## B. School Program

School opened in September with two new additions to the staff: Miss Gourd in Grade four and Mrs. Truesdell in Grade six.

Math and Phonics workshops were held during the summer and the new teachers of the Union attended. A study of the science curriculum is now in progress with Mrs. Hale representing Rindge as our participating member.

Grades five and six became a departmental section with each teacher teaching his or her special field. This worked very well and seemed to lend itself to a more intensive study of each subject.

Grade six attended Sargent Camp in October. The theme of the week was "Conservation and Forestation." As a follow up to this, the science program was pointed in the same direction. The students have put their skills to work in the forest area just behind the school and application has been made for 500 seedling firs to be planted on the school grounds this spring.

Federal funds are being used to aid the school in the audio-visual field. This is becoming more and more a part of the school program and it is being integrated into the curriculum of the school.

A very successful Christmas program was put on by the children with the aid of Miss Carter, the Music Supervisor.

School enrollment has increased again. It has been running around 140.

Grades four and five took a field trip to Sturbridge Village. Grades five and six went to Boston Science Museum. Field trips are planned for all the classes in the spring.

## PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

## A. Health

In Rindge last year, the aims of the school health services were still the same -- to keep the children well and to promote normal growth.

All students during the year received a hearing and vision test; their teeth were checked, and they were weighed and measured. If any defects were found, a card was sent home, advising parents to see their family physician or dentist for treatment.

As he does every year, Dr. Sterling visited our school several times and all pupils in the odd-numbered grades, as well as all new students, were examined by him.

In November the flu vaccine was administered by Dr. Sterling to all teachers and personnel. As school physician, he is available for consultation on problem cases and in the planning of health programs and clinics.

A Heaf Tuberculin Skin Test clinic was held on March 1, for pupils in grades 1 and 4, and for teachers and other personnel. All reports were negative.

The Dental Clinic, supported by a special fund, continued with Dr. Harold Goodman of Jaffrey doing the work in his office. Twenty children benefited from this clinic and all were transported to his office by the nurse.

The Lions Club provided the necessary help for a complete eye examination in Keene for four children who otherwise would not have gone.

This past year parents have been most cooperative in keeping sick children home. That is very important for the health of other children and the sick child as well, for with early treatment and rest, recuperation is much quicker and the return to school sooner.

Measles, colds and digestive upsets were the most prevalent illnesses. One case of scarlet fever and one of meningitis were reported.

In the spring a registration day was held. Mothers of future first graders met with the principal. The children saw the nurse, who measured and weighed them and checked their eyes, ears and teeth. If any physical difficulties were discovered, advice was given to the mothers as to necessary summer corrections and for vaccination. This day provides the children with the opportunity to become familiar with the school and teachers and makes for less fear and confusion in the fall for these little people.

The school year ended without major health problems and all health records brought up to date and filed.
